
Simple, effective training methods – Online!
Your pet can learn to enjoy toenail trims, grooming, veterinary visits, and more. The key is simple behavior modification, and the techniques are available online at 

[drsophiayin.com/lowstress/online](http://drsophiayin.com/lowstress/online)

Purchase 30 days of online access to **Low Stress Handling and Behavior Modification of Dogs & Cats** for $25.

You’ll read about how to:

- Put a stop to the stress you and your pet feel during your veterinary appointments.
- Understand why pets behave badly and what to do.
- Learn the human body signals that will put your pet at ease.
- Train cats and dogs to love getting pills, injections, veterinary visits and more.
