- Learn the most up-to-date handling techniques.
- Handle animals in a more efficient, pet-friendly, and skilled manner.
- Decrease time spent restraining pets. They will willingly comply with handling procedures.
- Create a safer environment with fewer bites, scratches, and back injuries.
- Send pets home behaviorally improved, rather than behaviorally worse.
- Be more credible and caring in the eyes of your clients.
- Remind yourself and others of the reason you got into the profession: you love pets and want to interact in ways that make them happier as well as healthier.
- Buy your copy today and watch as pets become more relaxed, happy, and compliant!
